Scottsdale, AZ – Two executives from SafeSourcing Inc., a leading eProcurement company offering a complete Procure to Pay suite of applications, have been recognized as "Pros to Know" by Supply & Demand Chain Executive magazine. Ronald D. Southard, Chief Executive Officer, and Heather Powell, Director of the Customer Focus Team and Project Manager, were named to the annual list published in the March issue.

Honoring the supply chain's best and brightest, *Supply & Demand Chain Executive's* "Pros to Know" awards recognize supply chain executives that are leading initiatives to help prepare their companies' supply chains for the significant challenges of today's business climate.

"We are very proud of our team's award winners for 2016 and endeavor every day to provide the type of products and services that our customers deserve which results in these types of awards," said Ronald D. Southard, Chief Executive Officer of SafeSourcing.

"The Pros to Know is a listing of exceptional corporate executives at manufacturing and non-manufacturing enterprises who are leading initiatives to help prepare their companies' supply chains for the significant challenges in the year ahead," says Ronnie Garrett, editor of Supply & Demand Chain Executive. "Their accomplishments offer a roadmap for other leaders looking to leverage the supply chain for competitive advantage. Their efforts in developing the tools, processes and a knowledge base for supply chain transformation, as well as in promoting new approaches to supply chain enablement, earned these individuals a rightful place in this year's Pros to Know listing."
